Catechism Classes for children who do not attend a Catholic School. The Missionaries of Charity will run Catechism Classes in St Clement's for any child who is looking to make the Sacraments in 2026. Even if your child is in a Catholic School and you would like extra tuition/preparation the Sisters would be willing to incorporate them into their class. This in no way takes away from the importance of a Catholic Education. Our Catholic Schools do a great job, however, the more our children learn about Jesus, prayer, and the Sacraments the better. Please register your interest with the Sisters as soon as possible as they would like to get started in the Autumn. Phone 612861

Thanks to Bernadette Daily for arranging to have the handrail installed at the entrance to St Clement's Church/Hall. For any parish to thrive in this day and age it will require everyone to become actively involved in the running of the parish as well as being active evangelisers. Recent Pope's have encouraged a 'New Evangelisation' whereby we actively invite others to consider the Christian faith and to become Catholics. The best way to do this is to have a genuine personal relationship with Jesus ourselves. To enable and deepen this St Mary's and St Clement's will be running courses on the run up to Christmas for those wishing to explore the faith (**Catholicism** see pg 7) and for those wishing to deepen their faith.

Diocese of Dunkeld Mission Day Conference

report by Sandra Farquhar-Forbes

On the 18th October a diverse and representative group from within the Dunkeld Diocese convened for a day of reflection, prayer and strategic exploration. The primary focus of the gathering was to consider the evolving nature and future of mission for the Church in 2025. The event fostered a rich exchange of perspectives from its varied membership. The main speaker of the day was Dr Duncan MacLaren (KCSG) who is a highly distinguished figure in the realm of International Catholic aid and social ethics.

The Diocese has started reflecting on the concept of synodality. The first part of the day focused on group work, where participants discussed and identified key lessons to guide both the Diocese's mission and its identity within the Church today.

The day's discussions were grounded in the established principles that guide Catholic institutions worldwide. These core concepts - often encapsulated in the terms 'Charism' and 'mission' - represent the foundational values, beliefs and purposes which animate Catholic establishments such as schools, universities, hospitals and aid agencies. This framework is deeply rooted in the teachings of Christ and the Catholic Church with its ultimate aim inspired by the command of Jesus to "Go make disciples of all nations" (Matthew 28:19).

The afternoon sessions converged significantly, identifying ministry to and with marginalised groups as a critical priority. There was a clear and unanimous desire for tangible change in this area. A key insight from the discussion acknowledged that the journey of the mission and engagement is rarely a straight line and requires patience, adaptability and long-term commitment.

Dear SCIAF Supporter,

For two long years, SCIAF has been calling for a ceasefire to the war in Gaza. The deal reached in recent days is a tremendous relief.

We welcome the ceasefire, pray that peace lasts, and give thanks that much more aid can now be finally delivered to those most in need. Now, we need your help to rush emergency relief to families as they recover and rebuild from years of agonising conflict.

Today, we are redoubling our efforts to continue our vital work in Gaza and the wider Holy Land.

As war has devastated the Holy Land, SCIAF has been present throughout, working through our partners in the Caritas network to bring life-saving assistance to those affected: food, water, healthcare and sanitation.

The SCIAF family continues to pray for a just and lasting peace, for aid to reach the most vulnerable, and for all those illegally detained to be reunited with their families as soon as possible. Your support is making a peaceful world possible.

With prayerful good wishes, Mark Camburn (Director of International Programmes)

Heartfelt thanks to all those who supported the family of Baby Livon. Please continue to hold his family in your prayers as they struggle to come to terms with the passing of their beloved baby boy. Mrs Curran (HT St Mary's) arranged for the children to pray the following prayer when the bell rang out on Friday, perhaps we could join in their chorus of prayer...

"Dear Heavenly Father, in this time of sorrow, we lift our weary hearts to You. We ask for Your loving embrace to surround this grieving family. May they find solace in Your constant presence and feel the peace of God that surpasses all understanding. O Lord, grant them strength for each step of the way. Amen."

At such a sad time it should be acknowledged that the Funeral Directors, Organist, and the Council do not charge for their services. Sincere thanks to all those who served with great dignity.

Please join The Society for the Protection of Unborn Children (Dundee Branch) for the 22nd consecutive, silent candle-light vigil, commemorating the passing of the 1967 Abortion Act.

Dundee City Square, Thursday 30th October, 6pm – 8pm

18,710 abortions were performed in Scotland last year – the highest number on record, representing a 3% increase from 2023. The termination rate increased to 17.9 per 1,000 women aged 15-44. Key factors influencing the statistics include a rise in repeat abortions and a significant increase in rates for women in the most deprived areas, who are twice as likely to have an abortion compared to those in the least deprived areas.

St Andrew's Children's Society—Adoption and Foster Care

There are many children across Scotland who need stable, loving families to care for them on a long term or permanent basis. Their birth families are not able to provide the nurturing or safe environment that would allow them to flourish and become confident and well-balanced adults.

Could you provide the stability and love these children deserve? Would you like to hear more about whether adopting or fostering a child could be an option for you?

Contact us on 01224 878158 or info@standrews-children.org.uk

Thank you in anticipation of your positive response to this message.

The Worst Kind of Pride

In the Gospel Reading, Jesus tells a parable about a Pharisee and a tax collector in order to teach a lesson about pride. As Jesus tells the parable, the Pharisee is not pleasing to God; the tax collector is.

In the parable, what the Pharisee says in his prayer is this: "I thank you, God, that I am not like the rest of humanity—greedy, dishonest, adulterous—or even like this tax collector. I fast twice a week, and I pay tithes on my whole income." The tax collector just prays for God to have mercy on him, a sinful man. Now what exactly is wrong with the Pharisee's prayer?

Notice that the parable doesn't doubt the Pharisee's truthfulness: he does have real moral excellence. And notice too that the Pharisee doesn't congratulate himself on this moral excellence in himself. He thanks God for it; he gives God all the credit for it. So what exactly is wrong with this Pharisee? Think about it this way. Aquinas says that there are four kinds of pride.

(1) There's foolish pride. You think you have an excellence which you don't have, like a child who thinks he's the best basketball player in the world.

(2) There's the pride of the self-made man. You think you have an excellence you do have, but you think you got that excellence for yourself, without anybody's help.

(3) There's the sneakily self-congratulatory pride. You think you have an excellence you do have, and you recognize that God gave it to you; but you assume God gave it to *you* because he knew that you would make such good use of it.

(4) And then there's the most self-deceptive kind of pride. You think you have an excellence you do have, and you recognize that you have it because God gave it, and you acknowledge that God gave it because he is so good, not because you are so nice—but you are glad others don't have it and you hope they don't get it.

Now we see what is wrong with the Pharisee, don't we? He accepts that his excellence is a gift from the Lord. He just doesn't want anybody else to have what he has. He likes looking down on that tax collector! And that is the worst kind of pride.

True humility is seeing that every excellence you have is a gift from your loving Lord and is given to you so that you can share it with others in love and rejoice with them when they have it too.

If you would like to donate food for distribution at the Church door please consider dropping any of these items in the baskets in the Church foyer: UHT milk, Cereals, Biscuits, Coffee, Tea, Tinned Milk Puddings, tinned fruit, tinned curries, tinned ham. May God bless your generosity and ministry.

Also, if you are in need please don't hesitate to be in touch with any member of the SVDP or Fr Jim.

The Church Cleaning has had to be increased in frequency due to the Restoration Work creating dust. If you can spare some time after Friday Mass please come along and help keep St Mary's clean for our weekend Services. **More hands means less time.** Thanks to those cleaners who are already doing a great job.

Apologies to the housebound who depend on the Livestreaming of Mass. We are hoping to have it up and running again for next weekend.

St Clare is the patron saint of television and communications. In 1958, Pope Pius XII gave her this title because, when she was too ill to attend Mass, she reportedly saw and heard it miraculously projected on the wall of her room. Connection to livestreaming: Her miraculous "remote viewing" makes her a fitting spiritual companion for livestreamers and virtual worship.
